

Vidyanjali's Bugle

Principal's Note

A new school academic year means new beginnings and new adventures!!

Children returned to school with loads of joy after a refreshing summer vacation. Vidyanjali welcomed newly admitted children and parents to 'Meet and Greet' to acquaint them with members of the Vidyanjali Family. In the 'Orientation Program', parents were oriented with the philosophy of school and an overview of the curriculum, rules and planned activities along with school's expectations from parents. By actively involving parents in their child's educational journey, Vidyanjali aims to enhance the overall development of the children.

Result Announcement

Mrs Pramita (CBSE Teacher)

Receiving results at the end of the academic year brings forth a sense of accomplishment and joy as it represents the culmination of a child's hard work, dedication, and perseverance throughout the year.

Parent Engagement Conference (PEC) was conducted on different dates starting from 31st March and ending on 12th April 2023. During the Parent Engagement Conference, the child's academic progress for the year 2022-23 was discussed with the parents.

The PECs of all departments were well-organized, with parents being notified through Edumerge notices and given specific time slots for their meetings with teachers. During the conference, the class teacher discussed marks of Annual Exam and provided feedback on each child's development and performance. The teachers also informed parents about attendance concerns and encouraged them to be regular in future. The event was well-received by parents, who expressed appreciation for the teacher's hard work and dedication. After PEC the parents collected the books for the next class.

Trainings

Mrs Smita Balaji (CBSE Teacher)

Education has become one of the fundamental requisites to survive in this competitive society.

Workshops /Trainings play a key role to keep teachers competent in their fields and subjects. Teachers training and Professional development workshops were organized by Vidyanjali Academy for learning from 15th to 26th May 2023. Newly recruited teachers underwent an Induction Program. Pre-primary Montessori teachers took on a refresher course in presentations. Teachers took a refresher course in Creya, Sense Board and School Cinema. Admin and drivers undertook Soft skills Training.

All staff underwent training in Personal & Professional Excellence; Personal grooming and Professional etiquette; ESIC and EPF training. Teachers learnt new methodologies to make teaching and learning more effective; improved their knowledge in the subject and their skills to reach the expectation; received insights about professional etiquettes including dressing sense and grooming.

Mrs Ramya Shekar (Montessori Teacher)

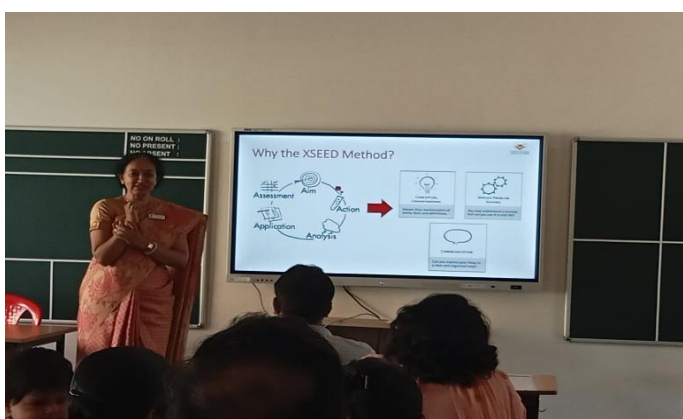

Igniting Connections and Inspiring Growth

On 27th May 2023, Vidyanjali Academy for Learning organized an event with the aim of bringing parents of newly admitted children and staff together. The event successfully fostered a strong sense of community among all participants.

The event included a discussion about the school's Vision and Mission, providing attendees with a deeper understanding of the institution's goals and values. It also provided ample opportunities for people to get to know each other better, encouraging relationship-building within the community.

Dr Rekha Reddy, the Director of the school, graced the event and delivered a speech highlighting the importance of training children for an unknown future and developing skills to adapt, learn and progress despite the uncertainties.

Overall, the Meet and Greet event was a resounding success. It played a vital role in strengthening the bonds between students, parents and staff, reaffirming the school's

dedication to cultivating a vibrant and supportive educational community.

Parent Orientations

Mrs Smita Balaji (CBSE Teacher)

The Orientation Program at Vidyanjali is designed to provide parents with a smooth transition into the new academic year and introduce them to plans at the school. It serves as an opportunity for parents to familiarize themselves with the school's policies, procedures and campus environment while also connecting with faculty.

The program was conducted at different levels grade-wise. For children in grades II to V and IX & X, the orientation sessions were held online, providing them with the necessary information and guidance virtually. This format allowed parents to attend from the comfort of their homes.

For parents of children in Preparatory (Prep) and grade 1, the orientation sessions were conducted in the school campus.

The Orientation Program helped parents understand how things work, establish connections with faculty, and staff members, and made them aware of the available resources and support systems. By providing this comprehensive introduction to the school, Vidyanjali aims to ensure a positive start to the children's journey and feel supported as they navigate their way through the academic year.
